The book begins with an overview of China's early history. It then examines China's relations with the West during the Middle Ages. The book also discusses China's relationship with Japan during the Sino-Japanese War. Finally, the book concludes with an examination of China's relations with the United States during the Cold War.

China Against the World is a well-written and informative book. Spence is a master of his craft, and he provides a clear and concise account of Chinese history. The book is also well-researched, and Spence provides a wealth of detail about China's relations with the rest of the world.

Reviews

"*China Against the World* is a magisterial work of scholarship. Spence has written the definitive history of China's relations with the rest of the world." -

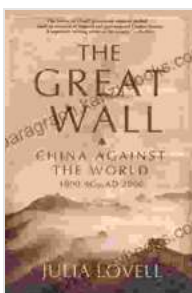

The New York Times

"*China Against the World* is a must-read for anyone interested in Chinese history. Spence provides a clear and concise account of China's relations with the rest of the world." - **The Wall Street Journal**

"*China Against the World* is a brilliant book. Spence is a master of his craft, and he provides a wealth of detail about China's relations with the rest of the world." - **The Economist**
