

Discover the Enchanting World of Ancient Greece: An Encyclopedia of Gods, Monsters, and Mortals

Meet the enigmatic Olympian gods who ruled Mount Olympus, from the majestic Zeus, king of the gods, to the cunning Hermes, messenger of the gods. Discover the tempestuous Poseidon, god of the sea, the wise Athena, goddess of wisdom, and the alluring Aphrodite, goddess of beauty and love. This encyclopedia delves into their origins, powers, and the fascinating myths and rituals surrounding them.

Venture beyond the realm of the gods to encounter an array of extraordinary creatures that inhabited ancient Greek mythology. Witness the fearsome Cyclops with their single, piercing eye, the elusive centaurs, half-man, half-horse, and the enigmatic sirens, whose enchanting songs lured sailors to their doom. From the wise satyrs to the terrifying gorgons with their petrifying gaze, this encyclopedia brings these mythical beings to life in vivid detail.

Meet the valiant heroes who faced unimaginable trials and tribulations. Trace the epic journey of Hercules, the demigod known for his twelve heroic labors. Witness the cunning of Odysseus, the hero of Homer's "Odyssey," and the tragic fate of Achilles, the greatest warrior of the Trojan War. This encyclopedia explores their feats of strength, their personal struggles, and the lasting impact they had on ancient Greek society.
