

Everything Your Doctor Doesn't Have Time to Tell You: Overcoming Common Problems

By Dr. Don Colbert

Do you ever wonder what your doctor would tell you if they had more time? What if they could sit down with you and really talk about your health concerns? What if they could share their knowledge and experience and help you make informed decisions about your health?

Now you can get all the answers you need in one place. *Everything Your Doctor Doesn't Have Time to Tell You* is the definitive guide to overcoming common health problems. Written by Dr. Don Colbert, a leading expert in natural health, this book provides clear, concise information on a wide range of health topics, from headaches to heart disease.
