In "Kings Of The Night Time World 1972 1982: The Kiss Album Focus", author Ken Sharp takes an in-depth look at this seminal album and its lasting legacy. The book features rare photos, interviews with the band members, and an in-depth analysis of the album's tracks.

Sharp begins by exploring the early days of Kiss, when the band was struggling to find its sound and identity. He then chronicles the recording of the band's debut album, which was produced by legendary producer Bob

Ezrin. The book includes fascinating insights into the songwriting process, the band's recording techniques, and the behind-the-scenes drama that occurred during the making of the album.

Once the album was released, it was an instant success. The songs "Strutter", "Deuce", and "Black Diamond" became anthems for a generation of rock and roll fans. Kiss's live shows were also legendary, with their elaborate stage sets, pyrotechnics, and over-the-top costumes. The band quickly became one of the most popular live acts in the world.

In the years since its release, Kiss's debut album has been hailed as a classic. It has been ranked among the greatest rock and roll albums of all time by Rolling Stone, VH1, and other publications. The album has also been certified quadruple platinum by the Recording Industry Association of America (RIAA).

"Kings Of The Night Time World 1972 1982: The Kiss Album Focus" is a must-have for any Kiss fan. It's a comprehensive look at the band's most iconic album, and it's sure to provide new insights and appreciation for this classic work of art.
