Jane's story begins with a childhood marked by trauma and neglect. She found solace in alcohol at a young age, and by her early twenties, she was a full-blown alcoholic. Her addiction cost her everything: her job, her relationships, and her self-respect.

But even at her lowest, Jane never gave up hope. With the help of therapy, support groups, and the unwavering love of her family, she began the long and difficult journey to recovery. Today, Jane is a sober mother of two, and

she is passionate about sharing her story to help others who are struggling with addiction.
