years to come.

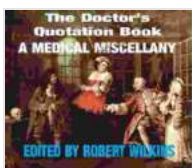

## Here are just a few of the many quotations you'll find in **The Doctor Quotation Book**:

- "The art of medicine consists of amusing the patient while nature cures the disease." - Voltaire
- "The best way to predict the future is to invent it." - Alan Kay
- "The doctor of the future will give no medication, but will interest his patients in the care of the human frame, in diet and in the cause and prevention of disease." - Thomas Edison
- "A healthy body is the guest-chamber of the soul; a sick body is the prison-house of the soul." - Francis Bacon
- "The most important thing in illness is never to lose heart." - Hippocrates
